Swimming National Pool - Selection Criteria

Eligible meets conducted locally

1. Swimmers will only be selected from the LC National Championships and the SC National Championships.
2. Performances in other meets in the swimming calendar will NOT be considered for national pool selection.

Selection of swimmers training and competing locally (This will include any swimmer who trains abroad but who has competed at either LC or SC National Championships)

1. Swimmers competing in the LC National Championship will be selected for a period of 1 year or until the next LC National Championship, whichever occurs first.
2. If someone scores higher FINA points than the selected swimmer in an event, at the following SC National Championships, that swimmer will replace the swimmer already in the national pool for the same event.
3. Top 3 swimmers in each event (Junior & Senior combined except 100 FR & 200 FR)
4. Top 4 swimmers in the 100 FR & 200 FR (Junior & Senior combined)

Selection of swimmers representing Sri Lanka at major competitions conducted BY FINA, IOC, The Commonwealth Games Federation or sanctioned by a governing body affiliated to FINA.

1. Swimmers must swim under the SRI banner.
2. Times swum at the meet must be verifiable in official results via online or hard copy signed by the meet referee.
3. Swimmers who are on national duty must score higher than lowest FINA points of the swimmers already selected for the national pool for the same event.
4. Any swimmers selected for the national pool while on national duty, will be added to the national pool and will NOT replace swimmers who are already selected and included in the national pool.

Direct selection through FINA points: Any swimmer achieving FINA points as described below in SC and LC National Championships or while on national duty.

1. Any male swimmer with over 700 FINA points (Junior & Senior)
2. Any female swimmer with over 650 FINA points (Junior & Senior)
